Here's a more in-depth look at how Choice Plus works

Medical Benefits

	In Network	Out-of-Network
Annual Medical Deductible		
Individual	$3,500	$7,000
Family	$7,000	$14,000

All individual deductible amounts will count toward the family deductible, but an individual will not have to pay more than the individual deductible amount.

**After the Annual Medical Deductible has been met.*

You're responsible for paying 100% of your medical expenses until you reach your deductible. For certain covered services, you may be required to pay a fixed dollar amount - your copay.

Annual Out-of-Pocket Limit		
Individual	$6,000	$12,000
Family	$12,000	$24,000

All individual out-of-pocket maximum amounts will count toward the family out-of-pocket maximum, but an individual will not have to pay more than the individual out-of-pocket maximum amount.

Once you've met your deductible, you start sharing costs with your plan - coinsurance. You continue paying a portion of the expense until you reach your out-of-pocket limit. From there, your plan pays 100% of allowed amounts for the rest of the plan year.

Here's an example of how the plan's costs come into play

1 At the start of your plan year...

You're responsible for paying 100% of your covered health services until you reach your **deductible**, which is the amount you pay before your health plan pays a portion.

YOU PAY 100%

2 Once you reach your deductible...

Your health plan starts to share a percentage of costs (the allowed amounts, excluding copays) for covered health care services with you – this is your **coinsurance.***

YOU PAY 20%*

YOUR PLAN PAYS 80%

3 When you reach your out-of-pocket limit...

Your plan covers your costs (the allowed amount) at 100%. Your **out-of-pocket limit** is the most you'll pay for covered health services in a plan year – copays and coinsurance count toward this.

YOUR PLAN PAYS 100%

Along the way, you may also be required to pay a fixed amount (for example, $15) –or **copay** – for covered health care services, such as seeing a provider or purchasing a prescription. You pay 100% of the copay, usually when you receive the service.

*Your coinsurance may vary by service. This example is for illustrative purposes only.
